Things are very busy here. Mr. Jones is sick and Mrs. Smith is away. I have to do his work as well as my own. I'm so tired I could sleep for a week! Only two more days until the holidays. Thank goodness! Then I'll have a whole week to myself. I'm going to stay in bed and sleep and sleep. I'm so tired I could cry. Next year I'll be in Form 7!! Can you imagine that? I'm not looking forward to it. I'm sure it will be very hard work. I hope I don't fail. (Don't tell anyone I said that!) I'm not very good at maths. Please write soon and tell me all your news. Are you still going out with Simon? Is he still your boyfriend? Have you been on any dates with Peter? Is he still your boyfriend? Have you been on any dates with Peter? Is he still your boyfriend? Hi, Neal!

Neil,

Personally, I think you're a flirtatious trip. Honestly, you're a super cute guy and real fun to be around. Hope you have a great summer and give all the girls what they want... DIAMONDS! (HAR HAR)

Guess I'll be seeing you next year eh? Will have a good one. And don't get into "9-MONTHS" of trouble. Or you'll be SORRY.

Neal, Baby ~
Well what can I say. I don't even go to your school, but I'm signing your yearbook! Oh well ~ I'm glad I know you. I know I tease you alot, just don't take it seriously, kay? I think you are such a cute guy, and sweet too! I only see you at dances and dance festivales and firesides and all other Stake stuff, but that's not very much. We'll do have to get together and something sometime, right? RIGHT! Me & you & Jeff & Danielle will have to go out one of these days. Youth Conference will be so fun, huh? You better talk to me! Well, Neal, thanks for being a good buddy! I care about you alot! Call me sometime.

Neal,

I'm so glad I got to know you and have several classes with you throughout high school. You're real fun to be around. Plus you've got a real cute smile. Thanks so much for all the fun times like at dances, in seminary, and everything else.

I know you've got the potential to go far in life and I hope you will set real high goals and go after them. Stay close to the church, o.k. and go on a mission. You'll make a great missionary! Alright - enough of your religious lecture for today.

Neal, I really think a lot of you and I'm sorry for all the times I've bugged you about your ten-thousand-million girl friends! It's just that sometimes I worry about you dating all these non-LDS girls. Don't settle for anything or anyone but the best. Oops- it looks like I'm giving you another lecture.

(cont. →)

Dear Neal,

Geometry w/George just wouldn't have been the same this year w/out you! I hope maybe we'll have a class or two together next year - maybe something more exciting than Geometry.

You're a real sweetheart, have a good summer & if you can't be good - be careful. ☺

See ya next year,

Hey Neal,

I'm glad I got to know you better. Youth Conference ought to be pretty good. If we do stuff were not necessarily supposed to. I hope you have fun everthough Bakebake is coming. I'm so glad There's only two more weeks of Geometry. Barrientos is cool but I hate this geometry junk. Have a good summer.

See ya.

Dear Neal,
Well, I can't believe

so fast! It's been really
great knowing you even though

This year was great and miss Kackel & Howell were semi-boring 99,999% of the time, but having you in class to make all those sly jokes took care of it. Your a great friend to have. I hope we got a couple of classes together next year. Hang in there and stay out of trouble. O.K.

Neal,

I'm glad I had a chance to get to know you this year. I remember 2 yrs ago when we were really good friends & I talked to you all the time & now I hardly even see you. Even though we never talk I think you are really nice. Your are sweet to always say Hi. Next year you will have a blast, it'll be the best year. So live it up!

Good luck & you'll need it to get your homework done your senior yr. - I don't have to say good luck with the girls because I can see you really don't need it!

Take care —— Love,
